DEAR COLLEAGUES,

On behalf of the American Urogynecologic Society (AUGS) and the International Urogynecological Association (IUGA), we are pleased to welcome you to the 2022 Scientific Meeting in Austin, Texas, USA!

There is truly something for everyone at this meeting. With a selection of 20 half-day workshops, cutting edge research presentations, panels on the latest hot topics in FPMRS, and focused programming for fellows, basic scientists and advanced practice providers, each meeting participant will have the chance to create their own experience.

In addition to the exceptional science, what makes the AUGS/IUGA meeting special is the opportunity for attendees to connect with colleagues and experts from around the globe. We encourage you to participate in the networking events throughout the week, including the Welcome Reception in the Exhibit Hall and the Networking Event at Bangers. Join us for Cornhole and a 5K Run/1 Mile Walk around Austin to support the FIUGA and PFD Research Foundation.

We hope you take some time to explore Austin with your colleagues and new connections. Unwind and relax amidst the expansive culinary scene and enjoy the live music found around every corner.

Welcome!

STRESS URINARY INCONTINENCE STUDY

DO YOU HAVE FEMALE PATIENTS WITH STRESS URINARY INCONTINENCE AFTER SURGERY?

Find out if your patients qualify for the CELEBRATE study.

We are recruiting for the CELEBRATE Study, an adaptive, two-stage, double-blind, randomized, placebo-controlled, multicenter study evaluating the safety and efficacy of autologous muscle-derived cells for urethral sphincter repair (AMDC-USR) compared with a placebo in the treatment of persistent or recurrent stress urinary incontinence (SUI) following surgical treatment in adult female patients.

Could your patients participate?

We are looking for participants who:

- > are women ≥ 18 years of age
- > experience involuntary urine leakage on effort or exertion, or on sneezing or coughing
- > have a history of previous surgery for treatment of SUI

MEETING CODE OF CONDUCT

AUGS and IUGA are committed to providing a safe and productive meeting environment that fosters open dialogue and the exchange of scientific ideas, promotes equal opportunities and treatment of all participants, and is free of harassment and discrimination. AUGS and IUGA prohibit any form of harassment, sexual or otherwise. Harassment includes speech or behavior that is not welcome or is personally offensive, whether it is based on ethnicity, gender, religion, age, body size, disability, veteran status, marital status, sexual orientation, gender identity, or any other reason not related to scientific merit. It includes stalking, unnecessary touching, and unwelcome attention.

If you are being harassed, notice that someone else is being harassed, or have any related concerns, please contact Michelle Zinnert, AUGS CEO at 301-273-0570 or michelle@aug.org; Tessa Benitez, IUGA Associate Executive Director at +1(910) 545-4205 or tessa@iuga.org; or any staff member immediately. AUGS staff can be identified by their blue AUGS shirts, and IUGA staff by their IUGA buttons and badges. All reports are confidential.

COVID POLICY

All in-person AUGS/IUGA Scientific Meeting 2022 attendees, exhibitors, and staff must attest (via the registration form) to being fully vaccinated or to receiving a negative COVID test within 72 hours of participation in the event. Attendees may be exposing themselves to an increased risk of contracting or spreading COVID-19, despite the safety precautions taken by AUGS, IUGA and the meeting venue. By attending the meeting, individuals are accepting this risk and recognizing that AUGS and IUGA maintains no liability for any injury, disease or death that may result from contracting COVID-19.

OVERALL EDUCATIONAL OBJECTIVES

- Identify risk factors, epidemiology, and impact on quality of life of pelvic floor disorders, including pelvic organ prolapse, urinary incontinence, fecal incontinence, and sexual dysfunction.
- Describe indications and methods for uterine preservations during prolapse surgery.
- Manage pelvic organ prolapse using a variety of non-surgical and surgical techniques including pelvic floor muscle training, pessaries, and surgery.
- Manage urinary incontinence using a variety of non-surgical and surgical techniques including topical hormones, medical therapy, pelvic floor muscle training, office procedures and surgery.
- Manage bowel incontinence using a variety of non-surgical and surgical techniques including medical therapy, pelvic floor muscle training, office procedures and surgery.
- Describe pelvic floor anatomy and how to avoid, minimize and manage complications of pelvic surgery.
- Define the available technology to assess pelvic floor function/dysfunction and its role in clinical care and research.
- Define the novel basic science approaches to the study and treatment of pelvic floor disorders.

ACCREDITATION STATEMENT

The American Urogynecologic Society (AUGS) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

DESIGNATION

The American Urogynecologic Society designates this live activity for a maximum of *20.5 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CME sessions will be available live streamed and/or on demand for those participating virtually.

Workshops are in-person activities that require separate registration and are eligible for additional CME credits.

For detailed CME credit information related to annual meeting activities and pre-meeting workshops, visit aug-iuga2022.org.

FINANCIAL DISCLOSURES

All AUGS/IUGA Scientific Meeting speakers, planners and staff must disclose their financial relationships relevant to the meeting content.

DISCLAIMER

The primary purpose of the AUGS/IUGA Scientific Meeting is educational. Information, as well as technologies, products and/or services discussed, are intended to inform participants about the knowledge, techniques and experiences of subspecialists who are willing to share such information with colleagues. A diversity of professional opinion exists in the specialty and AUGS and IUGA disclaim any and all liability for damages to any individual attending this meeting and for all claims which may result from the use of information, technologies, products and/or services discussed at the meeting.

SOCIAL EVENTS

WELCOME RECEPTION

WEDNESDAY, JUNE 15
6:00 PM – 8:00 PM

Exhibit Hall 1

Join us in the Exhibit Hall for a taste of Austin to kick off the Scientific Meeting! This is your first opportunity to catch up with colleagues while you meet with industry exhibitors and enjoy light refreshments.

FOUNDATIONS CORNHOLE TOURNAMENT

WEDNESDAY, JUNE 15
7:30 PM – 9:30 PM

Rotunda

Join the PFD Research Foundation and FIUGA for a Cornhole Tournament with proceeds benefiting both foundations. This single-elimination tournament has two simple goals: have fun and raise funds to support PFD research. Whether you register a two-person team, or just come out to watch and support our competitors, we encourage you to join us and support this great cause.

FOUNDATIONS FUN RUN/WALK FOR PELVIC FLOOR DISORDERS

THURSDAY, JUNE 16
6:45 AM – 7:45 AM

*Outdoor Palazzo at
Austin Convention Center*

Registration is just \$75 per runner/walker and includes participation in the walk/run, a commemorative t-shirt and medals for the fastest female and fastest male. In addition, FIUGA and the PFD Research Foundation will each award one medal to the individuals who raise the most donations for the foundation. To register for the run, visit the Registration Desk.

EXHIBIT HALL HAPPY HOUR

THURSDAY, JUNE 16
5:30 PM – 6:30 PM

Exhibit Hall 1

Join colleagues in the Exhibit Hall for a happy hour celebration of the Scientific Meeting. Visit the exhibitors and stop by both the IUGA and AUGS booths, while you mingle with peers and make new connections.

AUGS/IUGA NETWORKING EVENT AT BANGERS AUSTIN

FRIDAY, JUNE 17
7:30 PM – 11:00 PM

AUGS AWARDS

Jack Robertson Lifetime Achievement Award

WEDNESDAY, JUNE 15

1:30 PM - 2:15 PM *Exhibit Hall 2***Conrad Sweeting, MD**

AUGS' most prestigious award will be presented periodically to an individual selected

for recognition of extraordinary contributions to the profession and AUGS. The Jack Robertson Lifetime Achievement Award recognizes an individual who has had a lifetime of outstanding achievements in the field of Female Pelvic Medicine and Reconstructive Surgery and has served as a role model through service, basic or clinical research and teaching.

This year's recipient is Conrad Sweeting, MD for the significant contributions that he has made to the field, as well as to AUGS.

Raymond A. Lee Endowment

FRIDAY, JUNE 17

10:15 AM - 10:45 AM *Exhibit Hall 2***Charles Nager, MD**

UC San Diego Health System, CA

The Raymond A. Lee Lectureship honors an individual, like Dr. Lee, who has contributed to advancing the surgical field of urogynecology through mentorship, teaching, and the care of women with pelvic floor disorders. This award requires an inspiring and dynamic lecture on a topic of the recipient's choosing that delivers informative content to meeting attendees.

This year's recipient is Charles Nager, MD. He will present *You Need More Than a Hammer*.

Robin Haff Research Award

THURSDAY, JUNE 16

4:30 PM - 5:30 PM *Exhibit Hall 2*

(During the AUGS State of the Society)

**Kelley Kaczmarksi, RN, BSN**

Atrium Health, NC

This award honors an individual research nurse

or coordinator in recognition of his/her outstanding and sustained contribution to female pelvic floor disorders research. The Robin Haff Research Award recognizes the important role that clinical research nurses and research coordinators play in the clinical research process.

This year's recipient is Kelley Kaczmarksi, RN, BSN, for her tireless work in advancing this field for her fellow APRNs.

ABLE Scholar**Colin Russell, MD, MPH**

University of Michigan Obstetrics and Gynecology, MI

The ABLE Scholar travel award supports diversity, equity, and inclusion efforts within AUGS. The ABLE Scholars Travel Program aligns with the goals of the Residents Scholars program by identifying promising residents from diverse backgrounds and interests who demonstrate potential to be leaders in the field of FPMRS.

Resident Scholar Awards

This program funds third-year residents who have demonstrated an interest in Female Pelvic Medicine and Reconstructive Surgery to attend the AUGS Annual Scientific Meeting and experience the current research initiatives going on within the field. Each scholar receives a \$1,000 award to cover travel, hotel accommodations, and meeting registration.
